Additional Terms and Conditions: All material is guranteed and all work is to be completed in a workmanlike manner. We are not responsible for delays resulting from strikes, accidents, forces of nature, acts of God, pandemic issues, governmental shutdowns, or other like causes outside of our control. All changes, alterations or revisions to this contract must be made in writing and executed by all Parties hereto. Should the Customer delay the proposed Installation Date for any reason by more than fourteen(14) days, or should the Customer change or modify the storm shelter size or dimensions, we may adjust the quoted pricing to reflect our additional costs for such delay or change in storm shelter size, and customer agrees to pay such additional cost as invoiced. Any increase in costs or expenses as set forth in this Contract shall bear interest at the rate of 18.0% per annum from the date the payment was due until paid by Customer. If the customer is a distributer or builder to reflect material and market price increases upon our thirty (30) day advance written notice to the distributer or builder. The Parties hereto acknowledge and agree that this Contract is entered into in Fayette County, Somerville, Tennessee, and venue and jurisdiction as to any dispute under this Contract shall be instituted solely in the District Court of Fayette County, State of Tennessee. Our workers are covered by workers' compensation and liability insurance.

All obstructions must be moved prior to installation around where work is being done to that of a 10-foot bubble. All obstructions not moved are subject to extra charges.
